Subject: Board Member

It appears that we have vacancies on our Board of Directors with the resignation of Geroge Zeidenstein from Goshen and Mitchell Fishman from Litchfield. There are also Towns that belong to the District but not have appointed a board member from their town.

It is a benefit for all Towns to have a Board Member representing their Town's thoughts and transportation needs.

If you have a person in mind that expresses an interest, he/she would be welcome to come to any of our meetings to observe and get a feel of whether or not they would be interested. I would be more than happy to send out an invitation for any interested resident. The only stipulations to become a Board Member is either they are a Resident of the Town they represent or are employed there.

Thank you for your consideration in this matter. Please call me if there are any question.
