Gen. Stat. §§ 7-148 or 22a-226d, for an alleged violation thereof, shall send notice to the person cited. Such notice shall inform the person cited:

(a) Of the allegations against him or her and the amount of the fines, penalties, costs or fees due;

(b) He or she may contest his or her liability before a Citation Hearing Officer by delivering in person or by mail written notice within ten days of the date thereof;

(c) If he or she does not demand such a hearing, an assessment and judgment shall be entered against him or her; and

(d) Such judgment may issue without further notice.

(3) If the person who is sent notice pursuant to division (B)(2) above wishes to admit liability for any alleged violation, he or she may, without requesting a hearing, pay the full amount of the fines, penalties, costs or fees admitted to in person or by mail to an official designated by the First Selectman. Such payment shall be inadmissible in any proceeding, civil or criminal, to establish the conduct of such person or other person making the payment. Any person who does not deliver or mail written demand for a hearing within ten days of the date of the first notice provided for in division (B)(2) above shall be deemed to have admitted liability, and the municipal official designated by the First Selectman shall certify such person's failure to respond to the Hearing Officer. The Hearing Officer shall, thereupon, enter and assess the fines, penalties, costs or fees provided for by the applicable ordinance(s) and shall follow the procedures set forth in division (B)(5) below. Any person who requests a hearing shall be given written notice of the date, time and place for the hearing. Such hearing shall be held not less than 15 days, nor more than 30 days, from the date of the mailing of notice; provided, the Hearing Officer shall grant upon good cause shown any reasonable request by any interest party for postponement or continuance. A person wishing to contest his or her liability shall appear at the hearing and may present evidence in his or her behalf. A municipal official designated by the First Selectman, other than the Hearing Officer, may present evidence on behalf of the town. If such person fails to appear, the Hearing Officer may enter and assessment by default against him or her upon a finding of proper notice and liability under the applicable statutes or ordinances. The Hearing Officer may accept from such person copies of police reports, investigatory and citation reports and other official documents by mail and may determine thereby that the appearance of such person is unnecessary. The Hearing Officer shall conduct the hearing in the order and form and with such methods of proof, as he or she deems fair and appropriate. The rules regarding the
admissibility of evidence shall not be strictly applied, but all testimony shall be given under oath or affirmation. The Hearing Officer shall announce his or her decision at the end of the hearing. If he or she determines that the person is not liable, he or she shall dismiss the matter and enter his or her determination in writing accordingly. If he or she determines that the person is liable for the violation, he or she shall forthwith enter and assess the fines, penalties, costs or fees against such person as provided by the applicable ordinances of the town.

(4) If such assessment is not paid on the date of its entry, the Hearing Officer shall send by certified mail, return receipt requested, a notice of the assessment to the person found liable and shall file, not less than 30 days, nor more than 12 months, after such mailing, a certified copy of the notice of assessment with the Clerk of the Connecticut Superior Court, G.A. #18, together with the applicable entry fee. The certified copy of the notice of assessment shall constitute a record of assessment. Within such 12-month period, assessments against the same person may be accrued and filed as one record of assessment. The Clerk shall enter judgment, in the amount of such record of assessment and court costs of $8, against such person in favor of the town. Notwithstanding any other provision of the General Statutes, the Hearing Officer’s assessment, when so entered as a judgment, shall have the effect of a civil money judgment and levy of execution on such judgment may issue without further notice to such person.

(5) A person against whom an assessment has been entered pursuant to this division (B) is entitled to judicial review by way of appeal. An appeal shall be instituted within 30 days of the mailing of notice of such assessment by filing a petition to reopen assessment, together with an entry fee in an amount equal to the entry fee for a small claims case pursuant to Conn. Gen. Stat. § 52-259, in the state’s Superior Court, G.A. #18, which shall entitle such person to a hearing in accordance with the rules of the judges of the Superior Court.
