BLPA Annual Meeting

Bantam Lake Watershed Task Force Assembled

BLPA is partnering with the towns of Goshen, Litchfield, Morris, and Torrington, as well as the White Memorial Foundation, Housatonic Valley Association, and the Woodridge Lake Sewer District to convene the Bantam Lake Watershed Task Force. The Task Force's mission is to coordinate and implement recommendations laid out in the Bantam Lake TMDL and Watershed-based Plan, as well as applying for state and federal government grant, educating the public, and providing resources in town and community leaders.

James Fischer will introduce the key findings from the documents and the Task Force's initial projects.

We hope to see you there!
