The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with an average of 37 people (maximum of 44).

For your well-being, we recommend bringing comfortable, well broken-in walking shoes. The tour of the Vatican Museums and St. Peter's Basilica require climbing 2-3 flights of tall stairs and walking over cobblestoned streets for up to 4 miles (6 kilometers)) from the bus drop-off to the pickup point.

The tour of the Vatican Museum and Sistine Chapel averages 5 hours in length. Visitors to the Vatican Museum must be able to stay on their feet for the entire visit as there is no seating available. Air conditioning is also not available at the museum.

The included sightseeing tour of Florence requires the ability to walk a minimum of 2.5 miles (4 kilometers) over flat but cobblestoned streets, with narrow sidewalks.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Experience It! Assisi

Experience the town of Assisi, birthplace of St. Francis. Here you'll discover a blend of Roman ruins, winding medieval streets and beautiful churches that make this a must-see destination. Once a pilgrimage site and historical treasure, Assisi offers you the chance to return to another time. With a history that stretches back to 1000 B.C. (predating the Roman Empire), the town rests among the gently rolling hills of Umbria. Marvel at the Basilica of San Francesco, find an out-of-the-way shop, look out at the stunning landscape, or sit and relax at a quiet café.
